PRESIDENT'S WELCOME MESSAGE

Dear Members, Partners, and Friends,

Warm greetings to you all.

It is my pleasure to present our Annual Report, reflecting a year of resilience, growth, and shared purpose. Through our programmes, partnerships, and community initiatives, we continue to empower individuals, strengthen youth engagement, and contribute positively to society.

A key highlight of the year was the joyful celebration of our 120th Anniversary (since 1905), held on 11th October 2025 together with fellow YMCAs from Southeast Asia. Under the theme “Empowering Lives, Inspiring Changes”, the carnival, thanksgiving service, and anniversary dinner brought together delegates, members, and the community to honour our legacy and renew our commitment to transformation.

These achievements would not have been possible without the dedication of our Board Members, staff, volunteers, partners, and members. Your unwavering support drives our impact and sustains our mission.

Looking ahead, we shall continue to strengthen programmes, enhance facilities, and expand our outreach to better serve the community. With faith as our foundation, we trust in God’s guidance on this journey of service, transformation, and hope.

With deep gratitude and heartfelt remembrance, we honour the late Rev. Dr. Allan Vairamuthu, who returned to the Lord on 5th September 2025. His life was a true testament to service, humility, and unwavering faith. From his youth to his later years, he devoted himself wholeheartedly to YMCA Kuala Lumpur, touching countless lives through his kindness, wisdom, and steadfast commitment. His legacy will continue to inspire us, and his presence will be deeply missed within our YMCA family.

I invite you to explore the full Annual Report and gain deeper insight into our work and impact.

“Act justly, love mercy, and walk humbly with your God.” – Micah 6:8

Thank you for your continued support.

President

Very Rev. Cor Episcopa Philip Thomas

HONORARY SECRETARY'S REPORT

OVERVIEW

It is with great pride and a deep sense of gratitude that I present this year's Honorary Secretary's Report, reflecting on a period marked by progress, resilience, and meaningful transformation across our organisation.

GOVERNANCE

In fulfilling our governance responsibilities, the organisation maintained a strong culture of accountability and active oversight throughout the year. A total of ten (10) Board Meetings were successfully convened, providing a consistent platform for strategic deliberation, policy direction, and timely decision-making. These meetings were well-attended and demonstrated the Board's continued commitment to effective leadership and organisational progress.

In addition to Board Meetings, various committee meetings were held regularly to ensure that specific areas of responsibility were given focused attention. This structured and disciplined approach to meetings has enabled more efficient execution of initiatives, better monitoring of progress, and strengthened coordination across all levels of the organisation.

OPERATIONS

We are pleased to inform members that the Board has appointed a General Secretary with effect from 1st October 2025, to further strengthen the administration and governance of the organisation. The General Secretary will play an important role in supporting the Board and committees, ensuring effective coordination of meetings, maintaining proper records, and enhancing communication between the organisation and its members.

Over the past year, we have taken deliberate and forward-looking steps to modernise our operations and enhance the experience of our members and guests. One of the most notable achievements has been the successful implementation of a cashless parking system. This initiative not only improves efficiency and convenience but also aligns with our broader vision of embracing digital solutions that support a seamless and user-friendly environment.

In tandem with this, the organisation has introduced several new systems and technological upgrades aimed at improving internal processes, data management, and overall operational effectiveness. These systems have strengthened our administrative capabilities, reduced manual inefficiencies, and positioned us to better respond to the evolving needs of our community.

A significant milestone this year has been our proactive compliance with e-invoicing requirements. This demonstrates our commitment to regulatory adherence, transparency, and financial accountability. The transition was executed with careful planning and collaboration, ensuring minimal disruption while achieving full compliance within the stipulated timeline.

HONORARY SECRETARY'S REPORT

Equally important has been the implementation of new policies and governance frameworks, designed to strengthen organisational integrity and ensure best practices in all areas of operation. These policies reflect our commitment to accountability, professionalism, and a safe, structured environment for all stakeholders. They serve as a strong foundation as we continue to grow and evolve.

We are also pleased to report the revival of our long-anticipated building construction project. After a period of delay, renewed focus and coordinated efforts have brought this project back on track and with the newly formed Building Completion Committee (BCC) overseeing, this development represents not just physical expansion, but a reaffirmation of our long-term vision and commitment to creating better facilities and opportunities for the community we serve.

None of these achievements would have been possible without the unwavering leadership and guidance of the Executive Committee (EXCO). Their dedication, clarity of direction, and efficient decision-making have been instrumental in driving the organisation forward. Their ability to navigate challenges while maintaining focus on strategic goals is deeply appreciated.

I would also like to extend sincere thanks to all our committees, whose commitment and expertise continue to play a vital role in our success. Their collaborative spirit and willingness to contribute ideas, time, and effort have enriched our initiatives and strengthened our organisational framework.

To our volunteers, your selfless contributions and passion are truly inspiring. You are the heart of our community efforts, and your willingness to give your time and energy makes a meaningful difference in everything we do.

A special note of appreciation goes to our Staff, whose dedication, professionalism, and tireless efforts form the backbone of our daily operations. Your commitment to excellence, adaptability in times of change, and teamwork have been critical in achieving the milestones we celebrate today.

As we look ahead, we do so with optimism and renewed energy. The progress made this year is not merely a reflection of what we have accomplished, but a powerful reminder of what we are capable of achieving together. With continued collaboration, innovation, and shared purpose, we are well-positioned to reach even greater heights.

Lastly, we are immensely proud to have celebrated 120 years of legacy, a remarkable journey marked by unwavering commitment to service, unity, and community upliftment. This milestone is not only a reflection of our rich history, but also a tribute to the countless individuals whose dedication has shaped our mission over the decades. As we commemorate this significant occasion, we are honoured to welcome our regional "Y's to join us in celebration, strengthening bonds, sharing experiences, and reaffirming our collective purpose. Together, we look forward to continuing this legacy of compassion, collaboration, and meaningful impact for generations to come. Please do browse the carnival, thanksgiving and dinner pictures between page 29 to 31.

Thank you.

REPORT OF THE EXECUTIVE COMMITTEE (EXCO)

(from left to right): Mr. Yap Kah Shen, Mr. Low Chee Teng, Mr. Ong Choo Seong, Very Rev. Cor Episcopa Philip Thomas, Mr. Lim Ngee Huat, Mr. Franklin Styne Iyadurai & Mr. Mathew C. G. George

The Executive Committee (EXCO) appointed by the Board of Directors on 1st July 2025 is pleased to present its report on the key achievements and progress made over the past year.

Guided by our commitment to governance excellence, operational efficiency, and member value, working collaboratively to strengthen the organisation's foundation while driving meaningful improvements across all areas. Throughout the year, the EXCO convened a total of ten (10) formal meetings, ensuring consistent oversight, timely decision-making, and strategic alignment.

One of the key responsibilities of the EXCO was to recommend, after due process, the selection of a General Secretary following the retirement of the Finance & Administration Manager in June 2025.

To facilitate the interview process, the Board on 30th July 2025 appointed a six member panel of interviewers from the Board as follows:-

- | | |
|---|-----------------------------|
| 1. Very Rev. Cor Episcopa Philip Thomas | (President) |
| 2. Mr. Lim Ngee Huat | (Vice President) |
| 3. Mr. Ong Choo Seong | (Honorary Secretary) |
| 4. Mr. Low Chee Teng | (Honorary Treasurer) |
| 5. Mr. Mathew C. G. George | (EXCO/FAC Chairman) |
| 6. Mr. Samuel Sham Chee Leong | (Former Honorary Secretary) |

A structured selection process began with the interview panel aligning on clear criteria derived from the organisation's strategic needs, including leadership competencies, technical expertise, and cultural fit. The shortlisted candidates were evaluated through a combination of behavioural and situational interviews, where panel members assess past achievements, decision-making ability, stakeholder management, and capacity to lead change. This was complemented by presentations, case studies to gauge strategic thinking and communication skills.

Throughout the process, the panel ensures consistency and fairness by using standardised scoring frameworks and collaborative deliberation, carefully weighing each candidate's strengths against the role requirements. The final decision was made based on a balanced consideration of merit, potential, and alignment with the organisation's long-term vision, followed by reference checks.

REPORT OF THE EXECUTIVE COMMITTEE (EXCO)

Based on the recommendation by the interview panel to the EXCO, the Board on 27th August 2025 appointed Ms Laura Andrew as the General Secretary from 1st October 2025.

Ms Laura Andrew is a Registered Accountant and a Fellow of A.C.C.A. with a strong foundation in accounting and financial management. The General Secretary has provided critical oversight and guidance in ensuring that financial processes remain accurate, transparent, and aligned with best practices. The General Secretary's proficiency in SAP FICO, Prosci Adkar methodology, Train the Trainers (TTT) and Human Resource management has been particularly instrumental in supporting the Finance and Administration functions, strengthening internal controls, and enhancing the quality of financial reporting. Through hands-on involvement and strategic input, system processes have been streamlined, improving efficiency in data management, reporting accuracy, and overall financial operations. The General Secretary works closely with management and committees, efforts have been made to ensure that HR practices are fair, structured, and aligned with organisational goals.

Key policies were reviewed and enhanced to reflect current regulatory requirements and best practices, including improvements in compliance processes such as e-invoicing implementation and strengthened internal controls. These measures have significantly enhanced transparency, accountability, and operational integrity.

In line with our digital transformation goals, several new systems were introduced to streamline operations and improve service delivery. Notably, the implementation of a cashless parking system has modernised facilities management while improving user convenience and revenue tracking. Additionally, upgrades to administrative and financial systems have increased efficiency, reduced manual processes, and supported better data-driven decision-making.

The EXCO also played a pivotal role in advancing infrastructure development, including the successful revival and progression of the new building construction project by appointing a dedicated committee in November 2025 by the Board to monitor the progress and completion of the building. This milestone reflects the Committee's commitment to long-term growth and sustainability, ensuring that the organisation continues to meet the evolving needs of its members and stakeholders.

Collaboration has been a cornerstone of the EXCO's success. We extend our sincere appreciation to all Chairmans & the Committee Members for their dedication and valuable contributions in supporting various initiatives. Special recognition is also given to our volunteers, whose time, effort, and passion have greatly enriched our community. The EXCO further acknowledges the unwavering commitment of the Management Team and Staff, whose professionalism and hard work have been instrumental in achieving these milestones. The team work among the Board and EXCO members attributed to achieve a common goal with different skills that created a positive and supportive environment for everyone involved.

In conclusion, the EXCO remains steadfast in its mission to uphold strong governance, foster innovation, and deliver continuous improvements. We look forward to building on this year's achievements and driving further progress in the year ahead for the benefit of all members.

REPORT OF THE BUILDING COMPLETION COMMITTEE (BCC)

The Building Completion Committee (BCC) was recommended by the EXCO and appointed by the Board on 7th November 2025, entrusted with a critical and time-sensitive mandate: to oversee and drive the successful completion of the new building, ensuring that all legal, contractual, and regulatory requirements are met in a timely and efficient manner.

Throughout the period after appointment, the Committee worked diligently in close collaboration with appointed legal advisors and the construction company to resolve outstanding matters, finalise settlement terms, and negotiate supplemental

agreements where necessary. These efforts were essential in safeguarding the organisation's interests while maintaining momentum towards project completion as per agreed timeline. On 14th January 2026, both agreements were signed in accordance with the mandate given by the General Body.

A key focus of the Committee was the coordination and execution of all documentation required to regularise the project's status. This included careful review and alignment of contractual obligations, addressing legacy issues, and ensuring compliance with all statutory and regulatory frameworks. Through consistent engagement and structured negotiations, the Committee successfully facilitated progress towards the Certificate of Practical Completion (CPC) by 31st August 2026 and Certificate of Completion and Compliance (CCC) which is targeted for achievement by 31st March 2027.

Despite the inherent complexities of completing the project, legal processes, and multi-party coordination, the Committee remained steadfast in its commitment to transparency, accountability, and timely delivery. Regular meetings, progress monitoring, and proactive problem-solving were instrumental in overcoming challenges and mitigating risks that could have otherwise delayed the project.

The nearing completion of the building stands as a testament to the dedication and perseverance of all parties involved. It is a moment of great pride for the organisation to witness its name prominently displayed on the building—symbolising not only a physical achievement but also a milestone of vision, resilience, and collective effort. The Committee extends its appreciation to the Board, management, advisors, and all stakeholders whose support and collaboration have been invaluable in bringing this project to fruition.

During the past few months, the committee engaged in site visits for the appointed Core Committee members on 14th January 2026 and Board members on 7th April 2026 to give a visibility of the completed works. This was enabled to build confidence among the Board members.

As the project moves into its final stages of 11% for completion, the Committee remains committed to ensuring a smooth handover and full compliance with all requirements, marking the successful conclusion of this significant undertaking.

Mr. Mathew C. G. George
Chairman

CORE COMMITTEE'S SITE VISIT TO NEW BUILDING (14TH JANUARY 2026)

BOARD MEMBERS SITE VISIT TO NEW BUILDING (7TH APRIL 2026)

REPORT OF THE CHRISTIAN IDENTITY & MISSION COMMITTEE (CIM)

In 2025, the Christian Identity & Mission (CIM) Committee continued to faithfully carry out its monthly and annual programmes, engaging members in meaningful spiritual activities. The Committee also expresses its heartfelt appreciation for the late Rev. Dr. Allan Vairamuthu, who passed on 5th September 2025. His dedicated service and strong commitment to YMCA of Kuala Lumpur, especially within the CIM Committee, are deeply remembered and cherished.

Friday Christian Fellowship

The monthly Friday Christian Fellowship remained active and impactful, featuring guest speakers from various mainline churches. Each session included worship, testimony sharing, a message by an invited speaker, and a time of fellowship over light refreshments. Participation showed encouraging growth, with average attendance increasing from 12 to 15 to 18 to 25 participants. This reflects growing interest and the effectiveness of the programme in fostering spiritual enrichment among members, guests, staff, and directors.

World Week of Prayer 2025

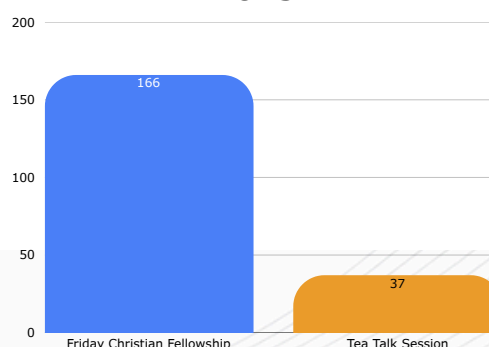

The World Week of Prayer was hosted by YWCA Kuala Lumpur (YWCA) on 15th November 2025, in collaboration with YMCA of Kuala Lumpur and YWCA of Petaling Jaya. This year's theme, "*Jubilee: 150 Years of Prayer in Action*," united participants in prayer, reflection, and fellowship. Approximately forty (40) participants attended. Pastor Anne Richard shared an encouraging message, and a cake-cutting ceremony commemorated the 150-year milestone. Each organisation led segments of prayer, lifting up thanksgiving and key concerns. The event concluded with a time of fellowship over lunch, strengthening unity among the YMCA and YWCA community.

Easter Celebration Service

The Easter Celebration Service was held on 19th April 2025, with about thirty-five (35) participants. Worship was led by the 3rd KL Boys' Brigade, creating a meaningful and uplifting atmosphere. Rev. Victor Vethamani delivered the welcome and opening prayer. The Easter message, "Come, See, He Has Risen" (Matthew 28:1-10), was delivered by Rev. M.G. Thanaraj, encouraging attendees to seek the risen Christ with faith. Offerings collected were donated to the Sunday Street Feeding Programme, supporting community outreach efforts. A brief sharing on CIM programmes, including the Friday Fellowship and Tea Talk series, was also presented. The service concluded with prayer and fellowship over refreshments.

Overall, the CIM Committee has seen steady growth in participation and impact throughout the year. Its programmes continue to strengthen spiritual development, fellowship, and community engagement, in line with YMCA of Kuala Lumpur's mission.

REPORT OF THE EDUCATION & TRAINING COMMITTEE (EDU)

In 2025, the Education & Training Committee expanded beyond traditional language programmes to include a wider range of training initiatives. Alongside efforts to strengthen enrolment and membership growth, the department delivered diverse programmes and gained valuable operational insights.

Course Implementation

- Ninety-five (95) programmes delivered (target: Eighty-seven (87))
 - Sixty-two (62) on-site language classes
 - Twenty-eight (28) online language classes
 - Five (5) training programmes
- Key training topics included:
 - Generative AI & Productivity
 - Resume Writing (with JobStreet by SEEK)
 - Smartphone Photography
 - AI Content Creation & Editing
 - Video Creation & Animation (CapCut & AI)

Holiday Intensive English Programme

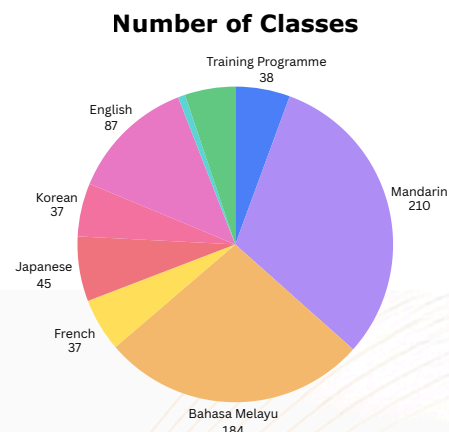

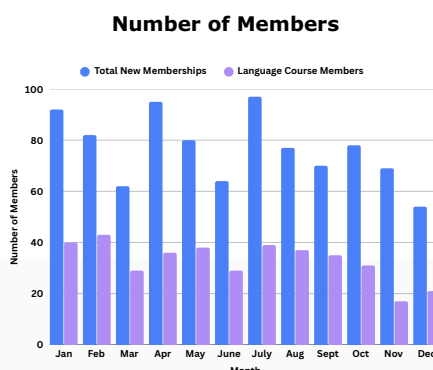

The Holiday Intensive English Programme is a school holiday programme designed for students who want a fun, engaging, and meaningful English learning experience during their vacation. The programme includes interactive sessions such as practical simulations, role plays, and a wide range of language-based activities. In addition, participants will have the opportunity to explore and experience various local cultural activities throughout the programme.

The programme was held from 19th to 24th March 2025, welcoming thirty-two (32) students from Chiang Rai, Thailand. The programme strengthened international engagement and expanded youth outreach.

Student Enrolment

The department recorded six hundred and seventy-three (673) enrolments against a target of nine hundred and thirty-seven (937) (25% below target). Performance was strongest in the first quarter, with February and March exceeding targets, while enrolment declined in the second half due to seasonal factors, with December recording the lowest figures. Despite these challenges, courses contributed three hundred and ninety-five (395) new members in 2025, accounting for 43% of total membership growth. Language programmes continued to serve as a key channel for recruiting new members.

Chairman

REPORT OF THE FINANCE AND ADMINISTRATION COMMITTEE (FAC)

The Finance and Administration Committee (FAC) appointed by the Board on 1st July 2025 continued to play a pivotal role in ensuring the financial integrity, operational efficiency, and governance standards of YMCA throughout the year. Entrusted with oversight of financial management, administrative functions, and policy compliance, the Committee remained focused on strengthening internal controls while supporting YMCA's strategic objectives.

During the year under review, the Committee closely monitored YMCA's financial performance, including budgeting and expenditure. Regular reviews of financial statements were conducted to ensure transparency, accountability, and adherence to approved budgets. Prudent financial stewardship enabled the organisation to maintain a stable financial position while continuing to fund key initiatives, including ongoing development projects and operational improvements.

In addition to financial oversight, the Committee worked collaboratively with management to enhance administrative processes and systems. Efforts were made to streamline workflows, improve record-keeping, and adopt more efficient practices in line with evolving regulatory requirements. Particular attention was given to compliance matters, including statutory obligations, audit requirements, and internal policy updates, ensuring that the organisation operates within a robust governance framework.

Below are the Policies and Implementations that were recommended from the FAC to the EXCO that was thereafter approved by the Board:

1. Non-Disclosure Policy
2. Personal Data Protection Policy
3. Information Tehnology Policy
4. New Financial System (AutoCount & eZee Absolute)
5. Cashless Parking integration to New Financial System (Amano)
6. E-Invoicing
7. Procurement Policy
8. AirAsia Magic Agreement

The following policies are currently Work in Progress:

1. Sexual Harassment Policy
2. Child Protection Policy

The Committee also provided guidance on risk management, identifying potential financial and operational risks and recommending appropriate mitigation measures. This proactive approach has strengthened the organisation's resilience and readiness to address both current and emerging challenges.

Throughout the year, the Committee maintained close engagement with relevant stakeholders to ensure that all financial reporting and administrative practices meet the highest standards of professionalism and accountability. The successful coordination of audit processes and timely submission of required documentation reflect the effectiveness of these efforts.

The Finance and Administration Committee extends its appreciation to the Board, Management, and Staff for their continued cooperation and commitment. Their collective contributions have been instrumental in upholding sound financial management and administrative excellence. As the organisation moves forward, the Committee remains committed to supporting sustainable growth, strengthening governance practices, and ensuring the efficient use of resources in achieving its mission and objectives.

Chairman

REPORT OF THE HOSTEL, FACILITIES & BUILDING MAINTENANCE COMMITTEE (HFM)

During the year under review, YMCA of Kuala Lumpur continued to welcome guests from various countries to its hostel. To ensure a comfortable stay, the Hostel Team carried out ongoing minor repairs, room touch-ups, and selective upgrades, reflecting its commitment to maintaining quality hospitality standards.

A key highlight was the successful hosting of the Asia and Pacific Alliance of YMCAs (APAY) Hotel Network Conference from 23rd to 25th July 2025, marking its return after a 26-year hiatus. Held under the theme “Building a Legacy of Impact,” the conference brought together YMCA hospitality leaders across the Asia-Pacific region to reaffirm the mission of Christian hospitality.

The programme included a keynote on “The Sacred Calling of Hospitality,” Pro-action Café sessions aligned with YMCA Vision 2030 pillars, and Triad Discussions that encouraged collaboration and strategic dialogue. The event concluded with a collective call to action, strengthening unity and innovation within the network. A total of thirty-four (34) participants from eleven (11) YMCAs attended, including representatives from Singapore, Kuala Lumpur, Ipoh, Penang, Chiang Mai, Hong Kong, Taipei, Makati, Manila, and Bangladesh. Distinguished guests included Very Reverend Philip Thomas, Dr. Ramona Morales, and Mr. Nam Boo Won.

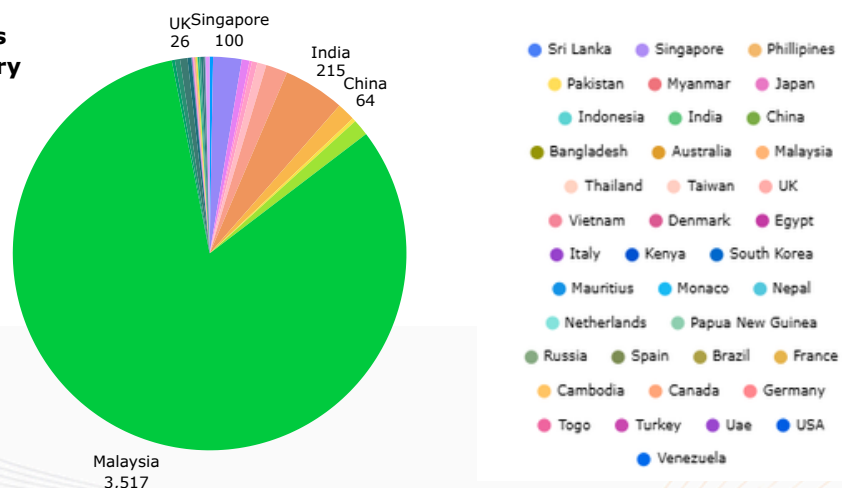

The conference provided valuable exposure for the Hostel, Facilities, and Building Maintenance Team, enabling knowledge-sharing, benchmarking, and service improvement.

YMCA KL also continued its partnership with the Selangor and Federal Territory Association for the Mentally Handicapped (SAMH). In May 2025, three trainees from Wisma Harapan underwent Basic Housekeeping Training at YMCA KL, completing the programme in August 2025. YMCA KL remains committed to this initiative and aims to offer employment opportunities for individuals with special needs in the future.

Overall, the year reflects steady progress in facility enhancement, regional collaboration, and community engagement. The Committee remains committed to maintaining safe and well-managed facilities while supporting YMCA KL’s mission of service, inclusivity, and positive community impact.

Effective July 2026, the current combined Hostel, Facilities, and Building Maintenance Committee will be restructured into three separate committees—Hostel, Facilities, and Building Maintenance—to enhance focus, strengthen planning, and improve overall service delivery.

REPORT OF THE MEMBERSHIP COMMITTEE (M'SHIP)

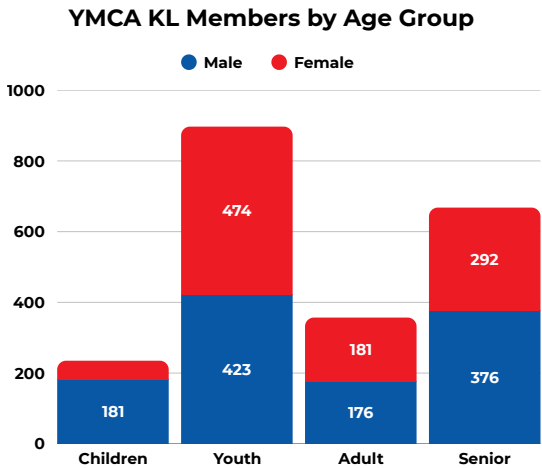

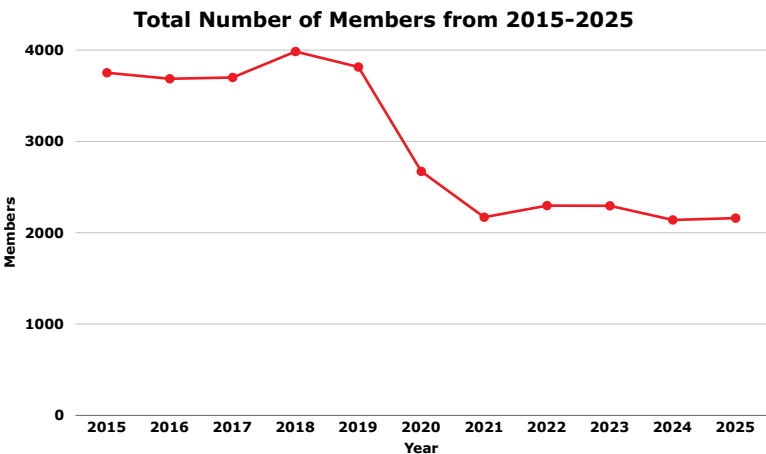

Membership is the heartbeat of YMCA. Within it are various committees made up of YMCA members themselves and related Staff. It is from this Membership that the Board of Directors is formed, elected through a voting process among the Full members in the AGM. The existing committees include Christian Identity & Mission, Finance and Administration, Senior Citizens' Club, Education and Training, Pusat Majudiri 'Y' for the Deaf, Hostel and Facilities, Programmes & Youth and Building Completion.

Over the years, a diverse array of activities were organised to benefit our members and foster community engagement. Longstanding clubs such as the 3rd KL Boys' Brigade, Senior Citizens Club, and Table Tennis Club continued to thrive with popular, well-attended programmes.

From January to December 2025, the YMCA of Kuala Lumpur welcomed nine hundred and twenty (920) new members, bringing total membership to two thousand one hundred and sixty (2160) by year-end. The largest demographic group comprises youths aged 16 to 45, who represent 42% of the membership, with a majority being female. Seniors aged sixty (60) and above account for 31% of members, with a higher proportion of male participants in this category.

The YMCA of Kuala Lumpur remains committed to fostering growth and strengthening community engagement. We look forward to continued expansion and encourage all members to renew their membership and remain actively involved in YMCA programmes and activities, both now and in the years ahead.

Mr. Yap Kah Shen
Chairman

REPORT OF THE PROGRAMMES & YOUTH COMMITTEE (PROG)

The year 2025 was a meaningful year for the Programmes & Youth Committee, as we strengthened our commitment to community engagement, youth empowerment, and holistic development in line with YMCA Vision 2030.

The Committee delivered a wide range of programmes, including workshops, festive celebrations, outreach initiatives, and youth development activities. Key highlights included the Stroke Awareness Programme (with NASAM) and a Women Empowerment Talk, promoting health, resilience, and personal growth.

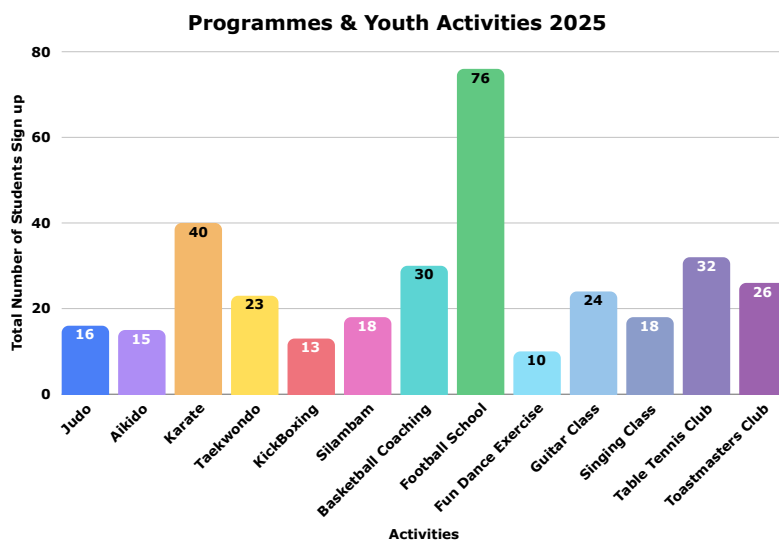

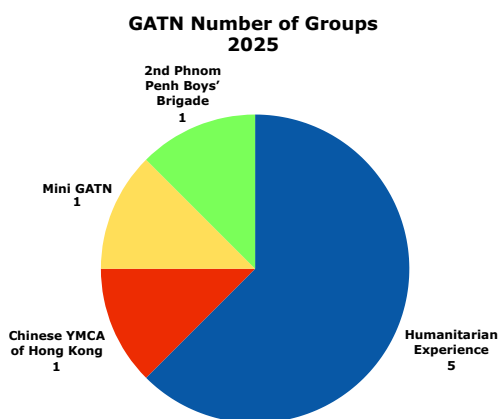

Festive celebrations such as Chinese New Year, Hari Raya, Deepavali, and Christmas, fostered unity and inclusivity, with meaningful participation from underprivileged children and families. The Community Children's Christmas Celebration (CCCC) was held at YMCA KL and Kampung Tekir with Orang Asli children, reflecting a strong spirit of giving and outreach.

The Global Alternative Tourism Network (GATN) Programme remained central to youth development, offering international exchanges, service learning, and environmental initiatives. Collaborations with the Humanitarian Experience Programme (HXP), Chinese YMCA of Hong Kong, and the 2nd Phnom Penh Boys' Brigade enhanced intercultural understanding and leadership development.

In sports and leadership, the YMCA Masters Table Tennis Championship and participation in the 26th Festival of Sports in Singapore (Overall 2nd Place) promoted active lifestyles and teamwork, while the YMCA KL Toastmasters Club continued to develop confident communicators and leaders.

These achievements were made possible through the strong support of committee members, volunteers, partners, sponsors, and Staff.

Moving forward, the Committee remains committed to delivering impactful and inclusive programmes that empower individuals, strengthen communities, and uphold YMCA KL's mission.

REPORT OF THE SENIOR CITIZENS' CLUB COMMITTEE (SCC)

The Senior Citizens' Club (SCC) continued to actively promote the well-being, engagement, and empowerment of its members through a series of meaningful programmes and events throughout 2025. Key initiatives focused on mental wellness, physical health, social participation, and confidence-building among seniors.

The year began with the Meditation for Mental Wellness Programme held on 28th May 2025, led by Reverend Father Paul Cheong OFM Capuchin. This session guided members through mindfulness practices, encouraging them to embrace the present moment while enhancing emotional balance and inner peace.

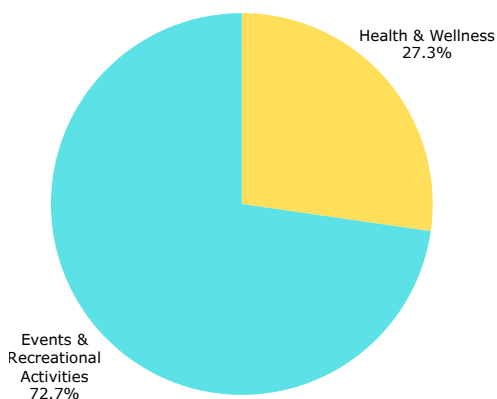

In support of physical health, The Art & Science of Balance programme was conducted on 9th July 2025 by Dr. Vimala, a consultant physiotherapist. Approximately fifty (50) participants benefited from structured balance assessments across four testing stations, gaining valuable insights into their physical stability and fall prevention.

SCC also successfully organised engaging social events to foster confidence and community bonding. A highlight was the "Timeless Elegance" Senior Fashion Show held on 6th September 2025, which attracted one hundred and sixty (160) attendees. Featuring senior members as models, the event showcased their grace and confidence, with strong support from family members. The programme concluded with a lively dance session, creating a joyful and inclusive atmosphere.

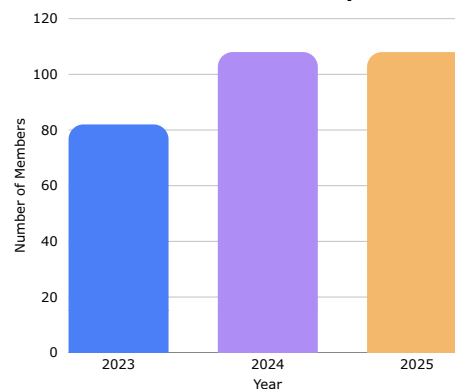

In addition, SCC emphasized health awareness through educational initiatives such as the Cancer Awareness Talk by Dr. Lee Ah Keh, a cancer survivor, who shared his recovery journey and provide insights into early detection and treatment options.

Overall, the SCC programmes in 2025 successfully enhanced the quality of life for seniors by promoting holistic wellness, active ageing, and meaningful social engagement. The club remains committed to creating impactful programmes that support seniors in leading healthy, confident, and fulfilling lives.

KATA-KATA ALUAN BAGI HARI KANAK-KANAK KOMUNITI PEKAK SEMPERNA KARNIVAL 120 TAHUN YMCA DAN HARI MALAYSIA

Assalamualaikum warahmatullahi wabarakatuh dan salam sejahtera.

Kepada seluruh warga YMCA, ahli jawatankuasa penganjur, ahli serta para sukarelawan yang budiman.

Setinggi-tinggi penghargaan dan tahniah diucapkan atas kejayaan menganjurkan program sempena sambutan Hari Malaysia dan ulang tahun ke-120 YMCA. Inisiatif murni ini bukan sahaja mencerminkan semangat patriotik yang tinggi, malah memperkukuh perpaduan dalam kalangan masyarakat berbilang kaum di negara kita.

Lebih membanggakan, penyertaan aktif daripada golongan remaja dan komuniti OKU pekak memperlihatkan komitmen YMCA dalam memastikan tiada sesiapa yang dipinggirkan dalam arus pembangunan sosial dan kebangsaan. Inilah semangat Malaysia MADANI yang kita usahakan bersama – masyarakat yang inklusif, penyayang dan menghargai kepelbagaian.

YMCA Kuala Lumpur telah memainkan peranan penting dalam membentuk belia berwawasan sejak penubuhannya pada tahun 1905. Saya percaya usaha berterusan ini akan terus menyemai nilai cinta negara, hormat-mengormati serta kerjasama antara semua lapisan masyarakat.

Warga OKU pekak juga anak Malaysia. Mereka berhak menikmati segala peluang dan kemudahan di tanah air tercinta ini, sejajar dengan usaha kerajaan dalam memperkukuhkan perlindungan kanak-kanak serta memperkasakan komuniti OKU di Malaysia.

Program seperti ini menjadi lambang keharmonian dan kekuatan rakyat Malaysia apabila semua lapisan masyarakat – tanpa mengira kaum, agama, latar belakang dan keupayaan – bersatu dalam semangat Malaysia MADANI.

Syabas diucapkan kepada YMCA Kuala Lumpur atas sambutan ulang tahun ke-120 serta penganjuran Karnival Kanak-kanak bersempena Hari Malaysia.

Semoga terus maju jaya dalam memperkasakan komuniti dan memartabatkan semangat kebangsaan untuk generasi yang akan datang.

Sekian terima kasih.
